18TH April, 2024

AGABA ELDON,

MUST

Dear Eldon,

RE: LETTER OF INTERNSHIP PLACEMENT

We are pleased to offer you an internship placement at Empower Youth in Technology (EYIT) for a period starting 4TH June to 31ST July, 2024.

During the internship, you will go through training in software development, entrepreneurship, and digital marketing.

A certificate will be given at the end of the internship indicating acquired skills upon submission of a complete internship report and presentation of a project prototype to the training coordinator.

Empower Youth in Technology (EYIT) management wishes you all the best during this internship period as you look forward to advancing your career.
